EMPLOYES TO MEET TUESDAY.

Plans of Co-operative Association Will Be Discussed.

For the purpose of presenting in detail the plan and methods of the Government Employes' Mutual Relief and Co-operaorganization will hold a public meeting at 8 p. m., September 3, in Pythian Temproposed to eliminate the immense profits now accruing to the insurance companies will be set forth by prominent speakers who have signified their interest in the movement to obtain for government emfamilies at reasonable rates. The programme will include also a number of musical selections.

Numerous inquiries received by the membership committee indicate a wide-spread interest in the association, which is to be formed entirely of government employes and has for its purpose the establishment of an insurance company controlled and managed by the employes

Having made a careful study of the methods of the "old line" insurance companies the founders of the association say they are prepared to offer equal protection at rates commensurate with the salaries of its members.

COAL COMPANIES ANSWER.

Blame Government for Advance in Price of Fuel

Philadelphia, Aug. 31.-Putting the responsibility up to the government, the swers to the Federal suits in the United States Circuit Court to-day.

It is asserted in the answers that the Refer agreement to advance the price of coal in 1900 was directly due to the failure of the United States government and the State of Pennsylvania to enforce the law and protect the commercial companies

HARVESTER TRUST PREPARING.

Organizer Conferring with Chicago Lawyers to Meet Prosecution. Chicago, Aug. 31 .- George W. Perkins,

of the J. P. Morgan Company, accompanied by several New York financiers, has engaged quarters at the Auditorium Annex for to-day and to-morrow. It is understood that the visit of Perkins has to do with two things—the har-vester trust is about to be prosecuted by the government, and indictments may come early in the fall. Perkins was the guiding spirit in the organization of the harvester trust, and members depend on him to steer the fight with the govern ment. Local financiers assert that Per-kins' visit has also to do with a national bank which J. P. Morgan & Co. are de sirous of establishing in Chicago.
